HELP STOP THE CRIME SPREE- on Longview Drive!

You are invited to join the 'Business Watch,' for Longview Drive business on Tuesday, June 11 @ 5:30 pm-7:00 pm.

Since most of our businesses on Longview Drive, have had a crime committed against them, in the last 5 months, we want to:

- Encourage cooperation between neighboring merchants.
- Teach our businesses to crime-proof their own properties and to watch over neighboring businesses and report any suspicious activity to authorities.
- Develop a telephone tree system for quick dissemination of information regarding criminal activity in the area.
- Encourage the development of signals to activate in adjacent businesses when someone needs help.

LET'S LESSEN THE OPPORTUNITIES FOR THE CRIMINALS

Let's take control of what happens in our Longview Drive business community and lessen your chances of becoming a victim. Participating in a "Business Watch," you will be making crimes against yourself and your fellow business neighbors as difficult as possible, (on top of what law enforcement is doing for the PBID!)

This crime prevention program will enlist the active participation of Longview Drive business owners, managers, and employees in cooperation with law enforcement to reduce crime in their work environment.

The Paladin Security team, CHP and Sacramento Sheriff has been very supportive, but it's time to partner together and create a better communication and understanding of how to alleviate some of the issues. **Please RSVP, Pizza/Snacks will be available. 916-495-5599**
